Isaac Opei | Computer Science Student

Location: Kasoa, Ghana

Phone: 0540307609

Email: isaacopei91@gmail.com

Personal Profile:

I am a loyal and trustworthy person. A good timekeeper who's still eager to pick up new skills. I am a friendly, courteous, and supportive person with a strong sense of humor. I can work independently as well as in a group setting in a fast-paced environment. My professional ambitions are to work as a data scientist with a focus on machine learning and artificial intelligence.
